Thursday eve ——

Dear Dad—

Just got your pictures back from the pl. So will mail them right away— Every thing here is O.K. but Oh! so lonesome— no Jan coming to see us just long enough to get used to you— then walking right out again — will have to make your next visit longer— miss your fire these cold mornings— the office is just like an ice berg when I get here,

Will write more later.

Love and...
