My Dear

Just to tell you

Mable was apt. on for the

Appendix last Sun. Taken on Fred
Lester came & took her to Ash City hospital
& took some time to decide & then he was
not certain. Sat night M.A. came
up & J.R. call Milton about 10:30 &
they had decided to of Sun. Mon at
9 Oc. so M.P. had just time to get
plain area over here on morning
in time for the Opt. Everything went
OK. Russ case but walked in &
with M.P. advice I think the Opt was
a success she has done fine ever since
This Morn. all was OK & fine. The
gues are expected this morning. &
Helen went to Salt Lake & took the
Buss to San Leandro to be Opt. for
Appendix to this by M.P. he to take
plain Mon. 5 Oc & was home by 9 Oc
or soon. Spencer & J.P. met the plain
M.L. & L.J. 5:00 A & he made the trip
from San Leandro in 8009 hr & it
was a good thing for Mable

M. was feeling badly but
he feels good as the chances are
good so far for her early recovery
Helen will be back to Prova in
time for school & all in all I look
very favorable for all concerned

M. P. look fine. R. not so good
made trip to L. in succession
& up all night. Tomorrow
last trip & back Jackie saw her
mother a few minutes & was back
next morning. Don't know about

Spencer but his mother saw to
they were loaded both ways but
if no mishaps & all is well
so far. Haymaking with poor to do
& R. L. is doing by fire on his house

I am glad you are enjoying
O. R. & your powers are for all the
rest of the stuff is fair. You
should have come up this summer
it has been very good so far &
next may not be so good. Well
I am at home & will stop. Love Will

AFTER FIVE DAYS, RETURN TO
