Dear Mother -

He came here O.K.
Had such a lovely trip -
took our time and I
stayed in cabins 3
nights. Snowed at Cedar
City. The weather became
better as we progressed
on our journey so that
we even enjoyed the
lovely Logan Canyon.
Stopped at Mabel's with
the baby while Ken went
home to fire up. My
plants in the basement
were O.K. I have the
"slips" in water. The
fuschias were kind of
dry.

Mother, you made
our stay so "homey" and
comfortable. Thanks a lot.

Love
to
all
