Dear Grandma Ream,  
Mary and I are  
in the fourth and  
fifth grade together.  
Then maybe we <sup>over</sup> will

go to the sixth grade  
next year.

I went to the  
Beach with the school  
on Washington's birthday.  
I had a good time. I ate  
two-hard-boiled eggs, two  
sandwiches, one bottle Ginger  
Ale, one apple, three  
cherries, a few peanuts,  
and I chewed one package  
of gum.

Love,

Nora
