Dear Mother Kearn,

Our baby daughter arrived Monday morning at 10:20. She fooled every one into believing she were at least two and made us wait 9 days for her. She is plump and round, even to the double chin. She was a big child, 9 pounds 4oz, husky & with a very good set of lungs. Everything has gone nicely. The children are thrilled, the Dale & Denyce have not yet seen their little sister. Kenneth & Ruth were delayed in start-

ing their trip to the Coast until today.
However, you will probably see them
before they arrive.

The threshing is finally finished and
plowing getting under way. We hope
the nice days of the past week continue
for some time yet. It would be nice
to get the most urgent work done be-
fore more storms.

How are you? I do hope you are feeling
much better. I know you are enjoying
your flowers. They must be pretty. Here
most of the trees have lost their leaves.
The colors were lovely. Love & best wishes
from all of us,
Norma.
