Dear Mother Ream

We were so glad to get your sweet letter I have been quit-sick and still do not feel very well I did not go to Relief Society to day. We have had rain and it took nearly all of our snow off then yesterday and to day it has been snowing so that we have snow again but there is water underneath so that it will not last long unless it freezes.

Helen came home Sunday Hesby & I went to Town for her We sure miss Mary Ida. and if she is there this is for her too. I was writing with Ruths pen but it has gone dry and there is no more ink here.

Last night we went down to the High School Band Concert. It was grand. The girls looked beautiful in their formals and the band suits looked fine the roads were plenty bad however and we came home in a blizzard.

Helen had to stay in till 10:30 so she took the truck this morning. I will be glad when she gets home. Roads are quit bad. — depsite

we had a letter from Jean last night and a card to night. He has been moved.

He said he had not received many letters It seems to take so long for letters to go.

I have tried to write often, and as cheerful as I can. Said he has had quit a bad cold but it was some better. It was cold in Florida also at Chanute Field.

Alfred Oakey has been home for a few days He came to see us He looks fine.

He had a cottage meeting here last Wed It was fine We sure enjoyed it. I wish the girls had been here.

We haven't heard any thing from Kenneth and Ruth — we miss them. Hope they are having a good time.

Wesley has been quit busy, after he gets his feeding done he has been cutting trees up using some for fence poles and the rest for wood for the fire place. we can sure burn a lot in there, and it looks so pretty. Uncle Hyrum is still in Arlington Virginia with Ella, He seems to like it fine I don't know when he will come home. well I do hope we can have a good garden this year. we haven't any potatoes now but our carrots have surely been good. The jam and olives and things you sent have been so good, thanks again. will try and write again soon.

Love mamie.
