Dear Mother,

I was pleased to learn
of your safe arrival & that
you are feeling fine
Sorry that Beulah
was ill - hope she is now -

Sorry that you had left
So long before our return
God said you had only been
gone a short time.

We enjoyed our visit
even though it was short.

We left this morning
arrived the next night at

9.45 PM. & Had a baby at 12.22
so it was just in time.

At the Du Hospital incident they
said Dr. Kich had phoned for Lee's
record & you would be informing.
Let me know if I can help in
any way please.

Love from us all to all of you
Douglass

I was feeling pretty well when we left
