Well Wesley I have been so busy I could not get the time to write at the same time doing nothing or getting nothing done ,We have had the finest of weather here up till last Fri, when it snowed & blowed some and to day it is cold but the sun has been shining & to night ot is the coldest we have had this year . Havenot sold any thing yet but the 8 pigs & the turkeys & geese. I did not make settlement with the Teluride CO. I am expecting to sell some cattle soon it may not be till about the 15 inst. & it looks as if I would have to bale the hay. and it seems that it will be a slow way to get the money , Link has not got back and it looks very much like he was not going to come. I did the work all but 3 da, before Lee & Mitchel got here. Have been feeling very well till late ly but now the reumatism seems to have got the best of me. Well Wesley this morning it is 22 below^w but the sun is shining and it looks clear The Kids go back to school this morning. The district school comenced today. I can't think of anything to say so will close When I have more time will write more.

Lots here from you occasionally.

Yours,

Truly.
