Just a lovely day & all
looks bright for the day &
I hope it continues, all the
time all night. How are the
sheep doing? You should have
a good yield from them it seems
it is a favorable time good prices
same & if you get the
lanas you will be getting fine
with the sheep, but how about
crops and other things? Tell me
about the Summer outlook
on every thing season, ^{book}
& seeding time. Hope you get
planted at P. S. Talk early
watering to the boys & let me know
how the Spring is shaping & how
drying the ground. If you see
a pointer or cattle tell me &
How about my loan for Dad.
