

I write today just this to say,
I'm still looking for your letter;
I hope it's not that you forgot—
No, I trust I know you better.

Dear Wesley - I will
write you another
card as I did not get
to write a letter. When
do you start for Seattle?

Michael is going to try
and be here - they
are still planting
grain. It has been
a cold dry spring,
best grain & grass are
growing fine.
Sincerely M. & E. N.
