Idaho.

Well Wesley I got your welcom letter and considderd same It looks small but must be right so I wi figure oh same ,It seems that Jobson does not want to do just square ashe might but I hope to get the matter settled up in some way before longe Well we have got our thrashing done and had just 2186, bu all told and 129 pf wheat the rest oats , We had the StCharles machine do the job and they did a good job we only had them for 6 meals , Had good luck We have a car of coal the station which we will unload in the morning and fill with oats. WE are aving the finest kind of weather here just now after such cold spell, Link will start for home in a day or two, He seems to be quit anxious t o be gone . He has done fine since you boys left. We got the hay up yesterday and took the pole down this morning,- Well Wesley I am surly pleased to know that you will get through this year. Well I must quit for the present as & see to arraneing for the morrow. We all send love and best wishes to you .

Yours .

Truly .

all ready I for your return letter and considered same it looks well but
must be right as I see it seems that Johnson does not seem
to do just enough with me I hope to get the water control up in some
way before long. Will be back for the insurance home and had just
the job and this is a good job as only had that for 5 months. But just
to have a new one. The reason which we will not be in the water and
will not be. It is not the first kind of water control that I
each side well. This will be a day or two. I am not sure
about it to be sure. It is the first time since you have left. I
up yesterday and took the first home this morning. Will be back soon
planned to have that you will see through this year.

Well I must quit for the present as I see to answering for the moment.

We all send love and best wishes to you.

Yours

Truly
