Dear Folks,

We have had a wonderful time but all good things must come to an end. We are packed & all bags gone except Helen's overnight bag. The boat leaves the dock at 4<sup>30</sup> pm. And arrives in San Francisco Monday am. - call or get Miss Larsen to call & find out the exact time. There should be at least 2 cars to meet us. There will be 2 or 3 couples to go back with us. If George

is free get him - or. Mags Leonard says or who ever  
is easiest for you # see this & write if you want  
(I haven't asked but any of the ears would probably  
be ok if necessary) you could speak with Mrs. J  
Jones if you like. He might be free to come to the  
boat. But the fire burns too.

This really breaks out - warm - breaks  
down etc. Hope my pictures are ok &  
we can show you some of what it is like  
The Council is coming & then a message for  
us & look for love to you both  
M. J. M.
