It gives some idea
Dad, of the book
ends from Beulah.

I have them all wrapped
and put in the library
where they won't get
hurt - wrapped them
immediately. Deuce
asks about you ever
so often. It has been
wonderful weather
this fall. The youngsters
have been out every
day. Know how ^{the} snow
but not cold, they love
to be out. "Benjamin" is
quite a boy, gets everywhere
& says Daddy Bye Bye "Sweet"
& a few other words. Love, Howard
