Dearest Gram -

Its the day after Christmas
and what a wonderful day
it has been - As you can
see Im in New York and
having a perfectly marvelous
time - How I wish you
could be here - Although
its probably many degrees
colder than Long Beach
Im sure you'd enjoy every
second of it - Will write
details later.

Hope you had a
nice time - and have
a nice time on your
birthday -

Loveingly
Liz
