Dear Mother Beane

He was very glad to hear you got home OK. and that you had a nice trip. He were so surprised to hear that Jean had gone. He said he had a wonderful time was gone about two weeks. He is only going to get one day's work at the store, that will make it bad for him. He was counting on it. Wesley will not be able to help him much and now this big loss on his sheep. It will be at least two hundred dollars Wesley seems to feel a little better, but I am still worried about him. I have been waiting for

him to write a line to you
But I guess he is just too
busy yet. I know he wants
to write.

We brought Mother over here
a few days ago. We'll keep
her here for a while and then
take her to Salt Lake, for
the cold weather. She is about
the same. We have a wheel
chair and when it is
sunny we take her out
on the porch.

Uncle Hyrum comes over
often. I guess he will go to
Conference in Salt Lake
this week and may go on
and stay in Hampanith
Mary and Maida for a
while. We have had a big
storm. It has sure been

hard to get the grain in.
It seems pretty cold but
has not froze the flowers yet.
wish you could see our
pretty blue trumpets and
the rest by our windows.

Thank you for sending
the coat. The girls sure
do think it looks good on
me. I am very glad of it.
I had a nice letter from Ella
she asked about your Ida.
They got home O.K.
Tell Ida we send love to her
and family.

I hope you will write again
we were sure proud to have Mary
Ida win at the State Fair. wish
she could get to go to Chicago.
It is time for the girls to go.
Love
Mamie.
