

Quincy 7-18

My Dear Nora:

Both letters 14 & 15 inst. got here same time your Government letter. Which I forward at the office but may come same mail as this. Well haying is all most finished in the valley but, we have just begun will finish home place to day & go on down wave. I am told we have the best hay crop in the valley & it is only $\frac{1}{2}$ crop here where we had 6 stacks last year. will only have 2 but some fields where we jumped will have about $\frac{3}{4}$ so all in all will get around 400 tons I hope. Well we will gather our steers some next Sun. and ship as soon as can and M. A. will go to the Rive market. I don't expect much. The government has started buying & killing now are fixing the packing plant at Montpelier and will kill about 50 head of

There will be a plant Poca. +
Boise + Idaho falls as I under-
stand + 20. dollars had they
highest paid from 2 to 20. There
will be a benefit from 2 to 6 dollars
on every head. W. Lindsay is ^{selling}
all of his but 5 cows Quay
all of his steers 2 or 3 hundred +
100's stock cattle so he will not
be such a big stock man after
all. He looks bad + so does P. +
Frank Nat. + as bad as I can
guess I have it over them a shade
Saw June shuck hands with her
+ had a long talk about the low
down she seemed glad to see
me. Tell I am going to sweep +
mop the kitchen - a little this morning
Will start + carry up. Just in our
a time + see if I can't get some
dirt out all are well + I think
you or Ida will hear from them
soon all were surprised and
glad to learn about Ida.
Mat + Louis has come so will
quit. We all send love to you + Poie
well.
