Dearst Jean
We were so glad to hear from you and to get the money for Dad and then Mary Ida's Birthday letter and money. I have been figuring up how much you have sent Dad & me I think I have missed putting some down and I wish you would tell me what you have sent. We are very busy trying to get the house. Dad went to the ranch yesterday to get the fire place. I went with him it was a cold stormy day - seemed so dark. He broke the fan belt and did not get any rock. Today he is going to town and get the car fixed. The sun is shining and we want to go for the rock tomorrow - before it snows. I have been telling Dad that he and I should go to see you and Grandma

He expects to be placed in
Salt-Lake, I sure hope so.
Their children are all fine
and like their school.

Ella and family were all
here the other night - They came
for St. S.'s father's funeral. His
death was sudden. They
came in their car and
took Uncle Hyman back
with them I sure did hate
to see him go. He seemed
so poorly.

Our trip to Texas was wonder-
ful I was sure glad to get to
go. Will have to tell you all
about it when I see you.
I enjoyed every minute of it.
Helen has trouble with her
teeth again and is going
to Salt-Lake Saturday to
have them taken care of.

It seems so long since I have
seen you. I am still pray-
ing that you will be kept thus
working instead of going to
war. I miss you so, but I am
thankful you are with Grand-
ma. Helen just got word
from Hal - orders are
changed and he expects to be
sent over in less than a
month. He are so sorry.
Harner is in Camp Adair
Washington and Alfred
in Bendleton Oregon.
He thought he was going to
be in the Salt Lake District.
Bill went to Washington D.C.
then to San Francisco for
two days and then sent to
Fort Lewis Wash for training

It is Hazel Harris's birthday today. Mary Sara is making a cake and getting dinner for her. They all want to go to the show, but I am not sure we will be going.

Dear Mother,

Just a few lines to let you know that we are thinking of you now and will be especially on the eleventh. We hope you have an enjoyable time on that anniversary.

It looks like winter here. There isn't much snow but it has been snowing every day or two now for more than a week. I got the grain in but got no fall work done. I wanted to get a hundred acres plowed and a little planting done but chances seem scarce. I was up to the ranch yesterday and it is quite wintery there.

We are not in the house yet but are doing our best to be in by Thanksgiving. There are such a lot of little things to be done to get finished up. It is looking grand.

Rodney was going to move into his new house yesterday but I do not think that he got in. We were up there last night and did not see any lights.

Warner Service is a Red Cross worker with the
army. He is now in Oregon and expects
to be going our way soon. Avoon is in full
Lake and Ruth is staying with us this
winter. She has the north soon up stairs.
And well the election has come and gone again.
And I was an Alvaran.

I did not file in the primary but some
people wrote my name in so I was on
the final. Got beat bad more than 150
votes. But it was a Republican year.

Best love and best wishes
to you and all the others
