Dear Mother;

I got your card last night was very glad to hear from you and also to know that you were up north. I think the trip and visit will be good for you. I also heard from Ida. She says that I should write to you more often. Well I have intended to and will try to do better.

Mamie went to Salt Lake Friday. Her mother has been quite bad, had a cold I guess, but she is better now. She is quite a problem. Mamie is going to stay a month. It is sonsome with out her, but I guess it is something that has to be.

We have had a fine winter here so far, not much cold not much wint and not much snow. There is about 10 inches now, but it has been snowing just a little bit ~~&~~ each day for about six weeks to get it.

Did Weaver Spork Ada Bird's girl had a cesarian yesterday it was a boy she seems to be doing as well as can be expected.

We are all well and getting along about
as well as most gangs do when the
boss is away. There has been a lot
of chicken fox around here. D. A.'s family
had it but we were thought with
it years ago.

Hope you are well and
all the others.

Best love to you and
all the others there. Tell M.P.
that I got the check and wait

God night
Wesley.

Dearest Grandma,

We are glad to hear you are a.t. It seems like were having a real warm winter and there's not much snow.

It seems that I never can write anything in a letter, although I have plenty to say before I start.

I want to write a biography of Grandpa this year. Will you please send me some facts that would help.

We seem to get along alright but any time anything goes wrong Daddy says "Some people had their way and I have mine, but I guess everything will be alright when your mother gets home."

Didn't get up very early this morning so I'll have to hurry to catch the bus.

Was glad to hear about Aunt Helen's baby but since I've never seen any of Uncle Milton's family it seems like they are real but just a dream. must close now

Love
Mary Ella.
