My
Dear Mather Beam

My deepest love
and sympathy to you + yours
in these sad hours. I wish
I could say something to lighten
your hearts, but in these times
words are such frail things.
I am so glad I saw Daddy
Beam such a short while ago.
and sat at his right at his birthday
dinner, which was perfect and he
seemed so pleased about it all.
and looked so nice & and
felt so good. I don't know who
will be missed more than he
will ^{be} from the Ranch. + Single
I have known him just twenty

Dear Grandma

It doesn't seem that grandpa could be gone. The day he left I got permission to leave school to see him off. He looked so well and he was so happy. Truly hope you won't feel too bad. We had so much fun together. I am looking forward to seeing you and aunt Ida

So Long, Love
Norma Jean

Dearest Grandma,

I am so sorry about Grandpa. It seems impossible. The summers up here on the ranch have been so much fun and now it'll never be the same. But believe we will be seeing him again. I wish the funeral could have been here where Grandpa had so many friends. I too will be looking forward to you and Aunt Ida coming back.

Love,
Mama Ida

Dear Mother,

Norma, Mabel, Marnie and I are here together at Mabel's place. We are thinking of you all the time, and wish we could be with you, now, but you do seem so close. It is wonderful that Dad had such a grand opportunity to visit a little with all of us, & he was in such good spirits when we saw him in San Francisco. I hope I can see you very soon.

Much, much love,
Ruth.

Dear Mother Team,

I wish that I could come in and be with you for a time each day. I have thought so much of you in the past hours and realize how you must feel. I know how Mother felt and how I, too, would feel. If only I could adequately express my feelings! There is so much I feel but just cannot put into words. I am glad Dad was with you and that you had celebrated your wedding anni-

versary together. Dad's operation came as a
shock. It is good to know that he realized
a great number of his ambitions in
the past two years - planting trees, a new
stove, his room painted, the pump in,
and the glad hours, the past month
or so in California. ^{the radio talk with Dula} Memory of Dad will
always be bright. The children have
missed him very much & love the bow &
arrows he sent the boys. They all three looked
forward to his return & will never forget
him. We are all together here at Mable's
thinking of you and feeling for you.

Much love from the
Children & Norma.

Dear Mother Pearl

We are so far away, and
yet you seem so near to night. We all wish we were
with you. I am glad you were here so long last sum-
mer, and that we all had such good times together.
I am glad now that the boys are with you. I know
they will be a comfort to you at this time. I will never
forget how you came and stayed with me and were
such a comfort in our great sorrow. I am
with you in spirit and wish I could do a little
to help. May you receive strength.

Love M. Annie.
