Dear Mother + Dad Jan 1 - 1934 -

I have made a resolution to write to you to day and am determined not to break it. I was glad to get your letter and to know you are getting better and that you had something extra for Thomas You'll have another one when you come home. Ruth will be surprised to see her packages still not untied when she comes to-morrow.

I went down this afternoon and picked a big baguet of narcissus. They are beautiful. You please look fine. The rain sure soaked it good. It is still muddy in the back and out here the children

dug down two feet and it was  
good and moist so our 7 or 9  
inches was not so bad after  
all.

Well we ate your turkey  
to day and it was fine I wish  
you could have been here  
You ice box keeps them better  
than at the market. Three weeks  
and it was nice and fresh.

Do you ever see Alta. She  
sent me a card.

Harri's Dad feeling better now  
I hope you will soon be  
coming home. It is lonely here

The children are pretty well now  
This morning Sister ripped out a  
pretty good swear word (SB) and  
said she heard Pal say it last  
summer. so she still remembers -  
Well Happy New Year to you all Love Ida & Family
