Dear Mother - I am sure glad you
are on your way down here & wish you
would hurry up and come - Keep your
ear to the ground and come as soon as
your visit is out

I hope you found Dany & family
better and every one else in good
health - I wrote Peatie sometimes
ago but haven't heard from them
Probably the letter went astray -

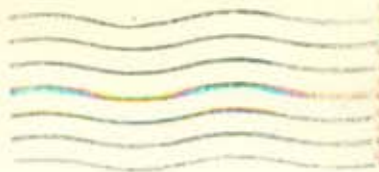

Well Bob's mother is sick now
& I have to go over there for a few
days and help them (go right away)

Rick & Babae well - Rick is getting
cutier every day. tries to say every
thing & runs away like no babies
business

Well I am anxious for you to come
on home I wish Dad would too - Give
my love to all.

Ad -
We have another ^{car} tax is cheaper - I think.
