

## WHITESTONE HOTEL

HOT MINERAL BATHS

Lava Hot Springs, Idaho

May 20 - 36.

My Dear Emily

Here I am at Lava

will be going home on the bus  
 at 5 to today. came down to see  
 to the L.H.S. Lots. The snow  
 saved the roof in last winter &  
 they were taking action about  
 it. so wanted to see to it  
 The car is doing some building  
 in the way of Infantile  
 Paralysis & it is going to be a  
 pretty nice building. L.H.S.  
 seems to be looking up some  
 what and counting on doing  
 some thing a long the line  
 of a building or may sell  
 out right. I can't raise any  
 Do otherwise and must have

I just saw  
 the car  
 it is  
 so  
 nice  
 I  
 hope  
 it  
 will  
 be  
 a  
 good  
 one

if I can. Have some projects  
will take just about what I  
can get - it is a forced job -  
Must have some stock on the  
Ranch + all most every plant has  
flunked out - seems tomorrow  
can be had for any thing else  
but for stock. Had a terrible dust  
storm here yesterday worst I  
have ever seen. Covered a  
lot of country, a long to  
Snake River, when I left the  
Ranch all were well But working  
hard, when will Ida's school be over  
+ what day will they be leaving  
for L.L.? I will be glad to see you  
all. I think B - plan will be OK  
you come to L.L. by rail + I  
believe you can stand it  
by auto to Dingle This leaves me  
feeling very good, and all seems  
fine at the Ranch all for this  
time Love Moll
