My Dear:

Flowers came OK,
should have sent them
to W.W. But is alright
It rained all day yesterday
Sunny today & every
thing growing good. Blacks
in full bloom, not so
many as last yr. by
9 to 10ths but nice
just in good bud when
I got here, The best I
have ever seen for the
decoration & all above
well as could be expected
not all have had colds
When do you count on
coming I hope you can
come thing will not get
as good as last yr. I
was late getting Love Will,
