My Dear Nora:

Beulah came last night.

Looks fine got here about 12:00 P.M. and
midnight we were all up. came down
in car from T. with a friend to L.A.

Will we look for you on Mother's day.
your box of candy from M.A. came near
getting gone, but is still in tact.

Don't know how long B. is in bed
A.J. is waiting to go to store to get
sausages so we can have hot cakes
then for breakfast so this is short.

Here is a letter from J.C.L. which explains

When you come let us know so
we will not be expecting for a W.K.

Idas is waiting so here for the girl.

Give my love to Lidia same to you
& best regards to the bunch.

Still.
