My Dear Girl:

Your last-letters came today and several others. I have been busy all day now from <sup>and</sup> K.W. have been to the Quarry for snow stone to finish his chimney. Arno & Fuller is doing the work. Tony could <sup>not</sup> come. K.W. is very bad & has been for some time. It has been terrible weather snowing & raining with a lot of wind and a lot of damage has been done 16<sup>th</sup> snowed & J.B. lost 25 nice turtles but I think he still has over 1000. <sup>of</sup> He is the largest grower in the State and has a very fine class of birds & I think he will make a little <sup>the</sup> do this year. Well I will be looking for you I had a letter from John & he will be here round 24<sup>th</sup> after he leaves Chauteau so you should get here around the first of the Mo. a few days ahead & get located. Everyone here as usual pretty good in health & other wise Louis is home. Helen came & has gone back to Provo. call for 2 or 3 mins. all I saw of her <sup>was</sup> <sup>on</sup> <sup>the</sup> <sup>3</sup> <sup>legged</sup> <sup>stump</sup> & I have <sup>can't</sup> <sup>do</sup> <sup>to</sup> <sup>get</sup>

We have been having bad  
weather here every since I go home  
Mon. morn. had to quit last night so  
will finish now. Have to get a line off  
to Baulah. It'll be frosted last night.  
K.L. & Jean got a load of rock yesterday  
to finish the job. K.L. seems quite happy now  
as he will get it done in a few da. He seems  
a little better. I am about the same just  
the regular depreciation only a little stronger.  
Am getting sound every day. Have 2  
boys at work round house & got  
to we will take out fit & go to the  
senetry this afternoon & do some work  
there & get a lot of little jobs done as  
I am getting short of time to late  
home this summer & lossed a lot  
you can see when you get here I  
suppose you will be here about the  
first as you will want to be here  
a few days before the timmer get  
gets here. Ben just in & wants to be  
shown what to do so this is all
