Dear Sister Nora

If you have heard from the folks on the Ranch lately they no doubt have told you we were planning on a trip to the west. We will leave Chariton on July 4th or 5th, go direct to Dingle for our first stop. Will informed me you were thinking on coming to the Ranch later I would gladly delay my visit but I am on schedule time, and hafta take my vacation when I can get it. You see I am working for the State of Iowa. If you can not come to the Ranch I will see you at Long Beach I would not think of making the trip with out seeing you some day the summons will come from over yonder and we will go into that far off country from whence no traveler ever returns. Hoping to meet you on the old Ranch, if not I will see you at Long Beach

With deepest Love. J O Ream
