

Home, Pa.

My Dear:

Your letter came yesterday
and one from Mr. Canam
I am sorry you got such a bad
fall but glad you were not
hurt any worse. It look bad
to go a fall like that & a medical
man to go a lasting injury.
Be careful is all I can say is
is mostly up to you in case of
this kind. Suppose you called
Ida. Well I got a letter from
Berlok on same clipper & I suppose
about same news as yours.
The Dr. she spoke of called on
Mr. P. so he said in his letter
I am short for time so will
make this short. - I will not
get to Mr. P. for the 20th so
will have the time here on the
sawch. Will go by Dan's covered
on my way down. I want
to see & be there for election
and will tell you all the news

Every one well in all the families

in 3 or 4 da, and MA will
