My Dear

Just to tell you

Mable was apt. on for the

Appendix last Sun. I then on Frid

Gutted came & took her to Ash Lys ^{hospital} &

took some time to decide & then he was

not certain. Sat night M.A. came

up & P.R. call Mable about 10:30 &

they had decided to of Sun. Monday

9 Oc. so M.P. had just time to get

plain and arrived here on morning

in time for the apt. Every thing went

Ok. Russ case but walked in &

with M.P. advice I think the apt. was

a success she has done fine ever since

This Morn. all was Ok & fine. The

ques are expected this morning &

Helen went to Salt Lake & took the

Russ to San Leandro to be apt. for

Appendix to him by M.P. he to take

plain Mon 5 Oc & was home by 9 Oc

or soon. Spencer & P. met the plain

M.L. & L.J. 5000 & he made the trip

from San Leandro in 8009 hr & it

was a good thing for Mable

M. was feeling badly but
he feels good as the chances are
good so far for her, early recovery
Henry will be back to Prova in
time for school & all small & look
very favorable for all concerned

M.P. look fine, R. not so good
made trip to S.D. in success
& of all night from warm
last trip & took jacket sweater
moke a few minutes & was back
next morning & on tomorrow

Spencer has the motor car so
they were loaded both ways but
if no muss hats & all is well
so far. Hay is good with some to do
& R.D. is doing better on his house

I am glad you are enjoying
O.R. & your four are for all the
rest of the stuffs fair. You
should have come up this summer
it has been very good so far
next may not be so good. Well
I am at it & will stop Joe Will

AFTER FIVE DAYS, RETURN TO
