

June 4th Oc.

My Dear girl

Just a wk. to day you
all left. Got your card ~~letter~~ ^{letter} ~~last~~
night. Glad you had a success-
ful trip & arrived Ok. All have
read letter. Have very rainy ^{weather}
here All in all everything ^{about}
same. Day you left I was
Bill cleaning out blacksmith
shop and got a fall. Just the
kind I've been looking for it is
the 14th all told. Have not got
back about 15% of resistance
gone. Bill left for home in
Sawland yesterday by his Sugar
buss. so. I'm a bone & it
is very bad for me. It just
seems that I've just got to
contend against every thing. Don't
just see my star now as he
has gone. Just a Q. I need his
help. Got papers from Reclamation
regarding my strage wald in
Muskley Lak ^{and} Was it look to me

I have a big chance to loose. Its is
the throw of the dice so far as I am
intensed and the Loan is coming
next it will take 2 or 3 wks to get
an idea about it. If it goes bad
it will just be bad for all concerned
two things that was easy to
have won. K.O. is stacking hay
to day as wet as it is. & tomorrow
he & Ruth are going to North Canyon
to start cutting logs for their house.
Has 185 trees marked ready & cut
another whet-amount on his
hands. I think. To me it seems
a little early to start - but - it
may be OK.

Wed. 10-25; K.O. & Ruth
are off for to start - falling the
trees to start the house & I'm
a lone all day. And it looks
like it might - storm raised
hard last night. We have been
having a lot of rain since
you left. By the way
do you happen to know any-
thing about the box of shells
I lost from L.B. they are gone

and no trace of them unless
 some one knew & took the job
 by I had enough to finish
 the portier If I don't find them
 the portier will just be half finished
 just like every thing else seems
 like, will be if there is no change
 & I can't see that there will be.

The boys seem to have a little
 bother getting at haying dad is
 not putting up the money &
 hunting men to do the job.
 you see I have 5500 to pay
 on last apr. Hay after giving
 round 100 tons each. My job
 is a big one & look none the easier
 if I could use 1/4 the help I have
 given it would be a pleasure
 but it is any thing but.

This is my last complaint
 so that is that. Lesse maybe is
 in the hospital & quite serious
 if he should quit there will
 be some mess in his affairs
 By the way Tell me how

Tell me how Ida & her adopted
child are coming does she have
to hold her on her lap after she
puts the kids to bed & having done
a hard day work besides I sure
feel sorry for her just the same
even if she did give me the
Devil for trying to help her & kids
It sure pleased me that you
got the best front seat ^{most}
of the way & you all are in a
good condition as you are &
how is Mr. Shackett. have you
get? When Ida comes up next yr. I
want her to have a better time
than this but she must not
have more to care for just leave
such as L.B. can go help her
for 1/2 the price.

Give Ida Rickay & Fido Pail
my love & if Ayle mention my name
say Best regards to her if not
let it pass. Love as ever
