My Dear Girl,

Your letter of the 25<sup>th</sup> came  
yesterday. Was glad to get it  
K.O. life on there and can  
explain all. Am in a hurry  
to get this off this morning. I  
am needing the money right a  
way sign under my name and  
return by first mail. Will be  
checking on it by Sat. maybe  
but lose no time on getting  
off. It takes cash now a days  
to get work done & I sure  
need some. My int. due in  
N.Y. & must go to day

Hay is going very well. All  
are off to day for the Fair  
It has frosted the last 3 nights  
and an early Fall is here  
from all indications  
and a lot to do. I want  
all hay down first & not later

The 5<sup>th</sup> of Sept. R. wants all  
Threshing & planting by  
the 15. so you see things  
have got to move *mighty*  
long, and a lot to do & its so  
much for me to get it over. Oh  
I am a fraid, But I'll on the  
job, till the finish

not doing much, but it counts  
a little. Glad you are well  
Keep up the good work & you  
will make the century mark  
I hope. I guess everyone is well  
& sporting a lot. Don't see  
much of them

Give my love & regards  
to all. Love as ever  
Will.
