

Dingle Hook

Dear Mother,

I am ashamed of myself
for not writing often but it seems like
I have had very little to say. It has
been a lonely fall but is getting quite
cold now. Winter is not far off as it is
freezing ice around the pond & streams every
night.

We are all well & getting
along ok except for a cold or two.
Dad left Monday & should be there by now
& I hope he had a good trip & made
it there all night. I am enclosing a
money order for him for twenty five (~~29.50~~) dollars.

Give my love to all
Love

Henrietta
