Dear Mother,

Do there you see  
back at your old tricks again.  
Here is hoping it may bring a  
complete recovery.

Ask Beulah if she ever received  
my last letter & why she didn't  
answer it. I am too  
sloved lazy to write very much  
& when I do write it is such an  
effort that I am disappointed if I  
do not get an answer.

It is clear to day but the  
last four days it has been rain  
rain, rain, with snow in the hill-  
tops. Its beautiful but cold.

Winter is coming with its ice &  
snow & it is not far off. I will finish  
the haying this week if all goes  
well & start on the grain next.  
I wish it were all in the stacks  
but it must ripen first.

Well Mother dear everything  
looks fine here to day & I wish you  
could be with me to enjoy it if only  
for a couple of hours as it would be  
to cold to stay longer. Can't you  
hop on a magic carpet spend an  
hour with me & then be back in  
sunny ~~the~~ Cal.

Lots & Lots of Love
