

Friday Evening
Nov. 18, 1938

Dear Mother,

I know you are anxiously waiting to hear from us. It seems as though there has been nothing but rushing since you left. As you remember, I stayed with Ida after you left and then with Hazel, and I didn't come home here for quite a while, and when I did, how empty it seemed! The house isn't at all the same

when you are away. Of course I miss my lemon and all, but you most.

Ida and I have been watering some and will try to do a little tomorrow. All last week, and I was away.

Pen wrote today and is wondering if Dad is all right.

I was to Ida on Wednesday again. She had a nice talk and she took me to school.

We have several mag.

nificent roses in the house.

The oranges came, but I'll make use of them. I still have a little celery left and it's just as fresh as ever. I fried an egg and had bacon tonight.

There was another Santana today and that wears me out. Now I have had a little rest and shall make a call on one of my girl friends. Then change is coming

for me in her car.

We have not washed
yet.

The bills came and I
will pay them.

I drank all the juice
and it was good to the
last. I was afraid it
wouldn't be.

Don't worry about
anything and have a
good time.

Lovingly,

Luella Senella,

Greet everyone.
