Dear Mother,

How are you now
I hope having a good vacation
at Milton. Is all well with
you. It has been so long since
a letter came to me from you
I hardly know what to think.
What do you do to pass the time
away and how is everyone there.

We are having a bit of
winter here. Saturday it snowed
about twelve inches but by the
way it melted yesterday it will
not stay long. Every one here is
well and things are going about
the same as always at this time
of the year. Rodney is killing his
turkeys. Started Saturday and has
about one thousand dressed now
after two days of work. It will
take him another four or five
days to finish or maybe longer.

I am working on my house
and getting it done little by little

Wesley and Mitchel are just working
as usual and getting the necessaries
done. Nothing special on the
line.

Mother dear I am wishing
you a very merry Christmas and
a very happy new year with a
grand and glorious Birthday between.
I send you my very kindest thoughts
and kindest wishes.

Yours loving son
Kenneth.

How is Dad and did he get my last
letter. The pools are supposed to be
here today and I have had no
word from as to what he wants
to do.

Love
Kenneth.
