Dear Mother ^{Sept 1/54}

We are now
in Salt Lake City at 12:00
noon & starting for Dingle
Have had a nice trip but
slow as you can see.
That is to be expected with
an old car. Had our flat
on the descent about 11:00 PM.
I hope this card finds you
well and happy as we
are. It is plenty warmer
here in the daytime but
very cool at night.

Loads of Love,
As ever

Ken & Ruth

When I return I'll come
& stay with you when I get
some more, but I may
rent that apartment anyway
or some other for my living house.
Ruth & Ken.
