

We are leaving the island
on the 25th and hope to be
in Long Beach on Aug 25th
We are looking forward to see-
ing you well and happy &
~~soon~~ when we arrive there.

Everyone is treating us so
nice we almost hate to
leave. Mr & Mrs Dehl (Kelgo's
husband) are showing us a
real nice time by Ruth's
(Mrs. D.) suggestion. It is
all just grand.

Full of love we are looking
forward to seeing you and
the kiddies again. Tell them
all hello and give them our
best wishes.

Love
to ever

Dear Mother,

Your letter to Ken was
very lovely and we both
enjoyed the beautiful birth-
day sentiments. He had a
spice time on Jim's day -
I invited the Pearns to dinner
and another couple and
we had birthday cake and
candles. One of our friends
brought a huge home-
made mince pie. Ken
received a number of
gifts and greetings, of which
I think he enjoyed yours
the most.

We are leaving for U.S.A.

on the twenty-fifth of
July, and what will do in
the States, I do not yet know.
I hope to get my school
back, however, and we
do hope for "our family"
some day, too.

We are glad you are well.
I am better than any time
since I arrived in the
Islands, and Ken feels
good, too. We are having
such a pleasant stay
at Xelga's, and Kuffe
is planning so much
for me. She and Mora
are here, too. There is lots
of room in this house.
Bowling and swimming
accommodations besides,

and plenty of servants and
cars.

I just re-read your
poem, and it is lovely!
Best love to you always,
and we will see you
soon. Love to Dad & family,
Beth and Ken.

Dear Mother
I should have
written sooner but sent
a radio gram instead so
put it off until now.
It was so nice to
get your letter with the
poem and greetings. I enjoyed
every bit of it and hope
to be with you soon so I
can thank you again.
