Dear Mother,

How are you and  
all the rest by this time I  
hope well and enjoying yourself.  
As you know I am married  
and quite happy in the cat.  
here in the pines of Baquis. Ruth  
My wife is just simply divine.  
I love it all.

We have had some  
real stormy weather but the  
last ten days have been very  
good. The sun has been shining  
most of the time and very  
little rain. We are enjoying our  
selves immensely. Ruth is really  
a good cook and a gorgeous wife  
and house keeper.

Dear Mother,

I am so happy with Kenneth he is the best husband in the world, and to think I should be the one to get him! We are having more fun fixing up our cottage and I am enjoying cooking although every thing is strange to me. We cook with wood, a thing I have never done before, and there too we can not get fresh milk and as many vegetables as at home. I only hope Ken will continue to be as patient as he's been so far. He helps me such a lot in the management of the house - gives me such startlingly good suggestions.

He will <sup>write</sup> more later. Lots of love from us both. Ruth & Ken

I am doing very well in my work. Was given £95 or so since beginning with this month of Aug. It looks like a happy landing if life continues to be good to me.

We are sending out some announcements will enclose one to you & send another to Dad. I hope he is well and happy. It will be nice if every thing goes OK on the ranch. It will do wonders for him.

This letter is short so I hope you can do a good job of reading between the lines as what I would like to say can not be put in writing. Loads of love to you & all the rest.

As ever  
Ken & Ruth.
