Ding
Dads

Dear Mother;

Dad arrived here at night and is feeling fine. He don't give me a chance to do much, still there is so much to do. Every one here is all right but working hard. W. F. & M. G. have jobs with the government and are doing fine. Rodney has about 2200 turkeys and is doing fine. I am getting ready to start haying. Hope to get the hay (what there is) up in good time then come down there for a few days visit.

Dad and I are going to town in a little while so will post this letter down there. Write and tell me all the news. How you are and all the others in every thing.

Give my love and regards to Ida and
and Bob. Lots of love
Kenneth
