Dear Dad,

Glad to hear from
you. It is colder than
blazes up here. We've only
had a letter from Star Valley
& they said they would not
be here as soon as they
thought. Sold January 4 tons
at 2 1/2¢ cash. (\$230⁰⁰) paid my
open account at Truck & Horse
& a little on ~~the~~ other bills.
Will pay up the labor & have
some left if you can
it. The Star Valley people
will pay up before buying the
cattle over according to the
letter which I will enclose in
my next letter & send the rest.

With love to all

As ever
