Dear Mother, <sup>my 23 4/20</sup> I hope you are

feeling fine. My  
nephew, Martin, is getting  
married in San Francisco  
and maybe we will  
attend in which case  
we will take a trip  
to L.A. too, and will  
be seeing you soon.  
maybe around the  
20th or 21 of Feb.

The thought of you  
all day on your birthday.  
Maybe we can celebrate  
when we see you.

our folks are all  
right in the Islands,  
only they can't see &  
would get. The Red Cross
