Mrs. Nora Kern
929 Laniota Ave.
Long Beach, Calif.

Dear Mother -

Mabel wants me
to stay another week
so I can go home,
rather, to your home
with Ned + Vera who
are coming here
a week from Tue -
Wed - 24 + 25. I will
let you know when
I am coming.

How are you? - Nellie
was fine for awhile
and when we try veg,
or Cad liver, she prefers
to flare again. She is so
lively and full of pep
though.

Best love to you and
yours, Ruth and Nellie.
