doctor takes the time. Many  
prominent & influential people go  
to Beulah as patients - so if child  
have patience and not want to  
progress too fast, shall get there.

I wish you could see the children.  
Sally is so cute now, talking plenty.  
While she is crazy about Daddy she  
won't let him put anything over on  
her. As to looks she is Aunt Maudie  
and often I think she looks like you  
about the eyes. They are a lovely blue.  
She isn't over weight but shortish

Dear Grampa Ream.

It been a long time since  
we heard from you. I've been  
rather a poor letter writer myself -  
tho I've written to all my Ream  
relatives, this last month.

I was in Manila last week  
with Fabian and spent nearly  
all my time with Beulah. Did  
your ears buzz? She was quite  
funny. She is getting popular  
because she alone give complete

Nora is doing well in school. Very good  
in Spelling and reads anything. Also  
good in Bible. But a good thinker so I don't  
think she'll succumb to the faith. The  
Adventists are a little fanatical anyway -  
and she realizes it. The Adventists live across  
from us and the woman who teaches the  
two children up there also takes Nora and  
another girl. Four - all in 2nd grade.

Fabian is feeling good. His work is getting  
heavier. I think he'll have to take the plane  
back to work from Manila. Auto takes too  
much of time. The M. P. traces bought  
out the Royal garage about 30 garage  
cars & 10 taxicabs. I don't feel I can  
call upon Fabian to be a fixer about the  
house any more, because he's so busy. He  
finds time every Sunday for the gun club,  
where he has a good time. I go down  
once in a while and do a little target  
practice with the 22. I'm not very good  
at it.

With lots of love from us all,

Ruth.
