Dear Grandma Ream,  
I got lots of things for Christmas.  
I got some roller skates, a cleaning  
set, four books, weaving set, two bags of

rose leaf perfume, play store,  
bracelet, box of candy, two purses  
and a pencil box. I wanted to  
give the cat some thing so I  
gave him a can of milk.

I have a friend that lives  
in Loma Linda California. She  
lived here before. My Mother  
said, "She is coming back in about  
six months or a year."

We got the piece of your  
and Grandpa Peam's wedding  
cake. We still have some left.

Love,

Nora
