

in the afternoons from 3:30
to 4:00 we have gym. 4
afternoons out of the week.

The other two are free -

We play basketball. I'll
bet the coach likes to coach
the boys better than girls
because they never fight
like the girls.

Lots of love,

The horses I rode in the
lowlands are, a couple natives,
and the rest part Arabians. The
rare - horse and one I rode are pure
Arabians. Nora

to the lowlands and rode
horses, Pa, Kate, and me.
Kate rode a pacer, ^(a mettive pony) a stub-
