

Evelyn - That is for one hour &
I listen in and get ideas which
I will use myself. I'll give each
child a few months with her
to get the technic and then
work with them myself.

Bulah & Sam drove up over the
week end. They brot Elva someone
a Utah nurse I used to hate cordially -
tho she has mellowed some what &
also have I. Bulah looks so well -
much younger - and in love with
Sam. I heard Bulah has so many
many patients - all crazy about her.

Fabian has a new (company)
car a 1936 Buick sedan - very
comfortable - and nice looking. It
was former by the Stopen staff car.

Dear Gramma Pearl
(Kew) Ruth Gemella and Ida -

We received your air letters yesterday
and I just sent a letter off to
Grampa Pearl at the ranch. Do you
mind me writing to you all together?
Jennie Alge and Ann are here - and
we have enjoyed their 3-week visit
very much. Both are so devoted
to Maurice however I couldn't get them
to stay longer. No sooner had they
arrived than he wrote he was home -
some and for them to hurry back.

Their child is beautiful and
so bright. I thought mine were super
but they have to back down for Anne.

Kate takes music lessons from
Miss Kiles - 5 pesos a lesson - also

Back to Jennie - she thanks "Aunt Nora" for the greeting and sends regards in return. Jennie beat us all at golf last Sunday - It is easy to beat me. but Fabian & me. Murphy couldn't take it.

John is having a swell time these mornings with Teddy and Peter up here. John and Ann are very chummy. too. John is trying to make his ears wiggle like his dad's. John is very fond of Fabian - tho Fabian crushes them all often enough. Lucky me or lucky us. we are uncrushable - and always bounce back as happy as ever and as fond of Fabian as ever. Tho I will say Fabian is always sweet to me. Naturally noisy & wiggly children will get on a man's nerves - who has sat in an office every day. and I never keep the children away from me. I think the father shouldn't be coddled too much. He has to get collused, I guess. Fabian is very proud of his kids - bring people up to see them and is put out if they are not all home to be shown off. They are all such swell kids I don't blame him for feeling that way. Well so long
love to all

Truth.
