Mr. Fabian Beam,

P. O. Co., Manila. P. I.

Dear friend:-

I receive your letter and the pair of scissors which you send me. I am sorry you didn't tell me the exact price of the scissors. I think you can not buy even a small scissors for one centavo only. So please tell me the exact price of it. I hope to know the exact price of it by the return mail.

This is all and receive my best regards to you. Please buy one album for me. I hope to receive it by the return mail with the price so that I may pay you in return.

W. M. Isabela.
