Dear Grandma Ream,
Would you like to
have some school magazines
that I saved up this year?
I have lots of them.

I am going to spend my
vacation in Manila with

aunt Beulah's nurse. Last time
when I stayed with her we always
had icecream and coco-cola. That
was when I broke my arm.

We went to a May Day play
yesterday. Before it started there
was a costume parade. Next May
Day I am going to dress like a
Norweigian. Mabe that way I could
win a prize.

Love,

Nora
