Dear Mother & Dad:

We are always pleased
to hear of the upward trend
even though it may be slow.

We had expected to see
you folks before this
but you mustn't leave
until it is perfectly safe.

Milton left for S.L.
as you must know.

My family will be
leaving in a few days
probably Sunday night.

We all well & hope
everything is still
going well with
all you folks.

Love from us all
Dorcas.
