

distracts me as I have made several errors.

Rodney & Norma surely have a fine family. We enjoyed their visit. I hope none of them caught cold. I was just recovering from one when they were here. Daddy & Team look real well.

We are pleased you keep well and do hope your good health continues.

Love from all
Lucile

Again thanks, very much, for the lovely present.

Dear Mother Team:-

Yesterday a parcel came from you containing a very beautiful and useful afghan. To know you made it makes it that much nicer. We do appreciate it. I like the note which accompanied it. I will put it in "iti" Baby Book. You are the only grandma this baby will know.

It has been sometime since I have written you, but I do not do much letter writing now. I surely have felt different this time than I did

to see ^{our place} it when we get it
all fixed up - will be nice.
Douglass is having a lot
of remodeling done on his
office part, but it never was
very convenient. We will
miss this nice Park when
we move, and the lot is
small, but we will have
more house room.

Nelle has decided to
stay and I am pleased for
that. She will help Douglass
and me too. She can do more
in three ^{days} than a lot
of girls could do in six. Then
too, it will be a relief to
have her here while I am
at the ~~office~~ hospital.

Fornet is practising right
here say me and I suppose

before any of the three were
born. I have had to be very
careful. I ~~was~~ determined to go
there with it. We have had
several "scars". I have just
started lately to make a few
clothes, but am not going
to make much - just four kimono
four nite gowns, get four shirts
and some diapers. Some of my
friends are having a shower
for me next Friday.

I wish you would ask Ida
if she would care to sell her
luggage to us. She mentioned
something about it when we were
there.

We hope to get moved
before the event takes place.
I will be anxious for you

Dear mother:

That certainly is a beautiful
"Aragon" we surely do appreciate it.
We enjoyed the visit from Ruby
of family & Dad. Every it was so short
& things were so uped.

We would liked to have had
you calling too.

Very pleased that you are so
well. All you have to do is to
continue the same way

I hope I do family are all O.
But there are hello from us.

Love to your kid
Douglas.

(We are all O now.)
