Dear Dad,

All is well! I am
glad to hear that you
arrived O.K.

I could not get any gas
before the 1st of Nov. but have
had ~~the~~ plowing ever
since. It has plowed better
than ~~the~~ ~~plow~~ on the south
side of the field and about
10 on the north side. On an
average the plow that on the
south side 11 in. deep.

I have lost about 20 turkeys
since you left, otherwise
they are O.K. Cold weather has
set in. Hello to everyone.
